EJP SOIL International Call

Presenter: Ulrike Ziegler (call office)

EJP SOIL
European Joint Programme

EJP SOIL has received
funding from the European
Union's Horizon 2020
research and innovation
programme: Grant
agreement No 862695

Outline

- I. EJP SOIL in a nutshell
- II. EJP SOIL International Call
- III. Submission tool

I. EJP SOIL in a nutshell

EJP SOIL
European Joint Programme

EJP SOIL has received
funding from the European
Union's Horizon 2020
research and innovation
programme: Grant
agreement No 862695

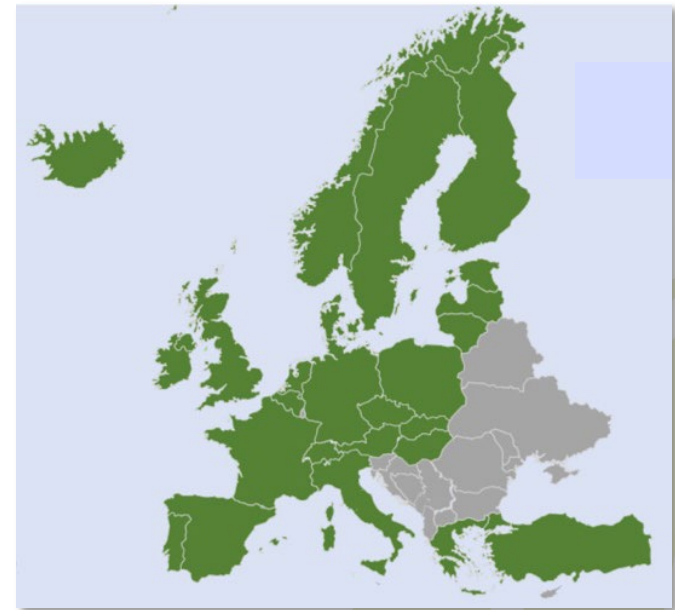

Introduction

towards climate-smart sustainable management of agricultural soils

<https://ejpsoil.eu/>

- Start 01st Feb 2020 (60 months)
- Coordination INRAE (FR)
- Deputy coordination WR (NL)
- 26 partners from 24 countries
- 3 internal calls (EJP SOIL partners only)
- 2 external calls

EJP SOIL

The overall goal of the EJP SOIL is to **build a sustainable European integrated research system on agricultural soils** and develop and deploy a reference framework on climate-smart sustainable agricultural soil management.

Sustainable agricultural production

Carbon sequestration

Healthy Soils

Land and soil restoration

Biodiversity

Ecosystem services

II. EJP SOIL International Call

EJP SOIL
European Joint Programme

EJP SOIL has received
funding from the European
Union's Horizon 2020
research and innovation
programme: Grant
agreement No 862695

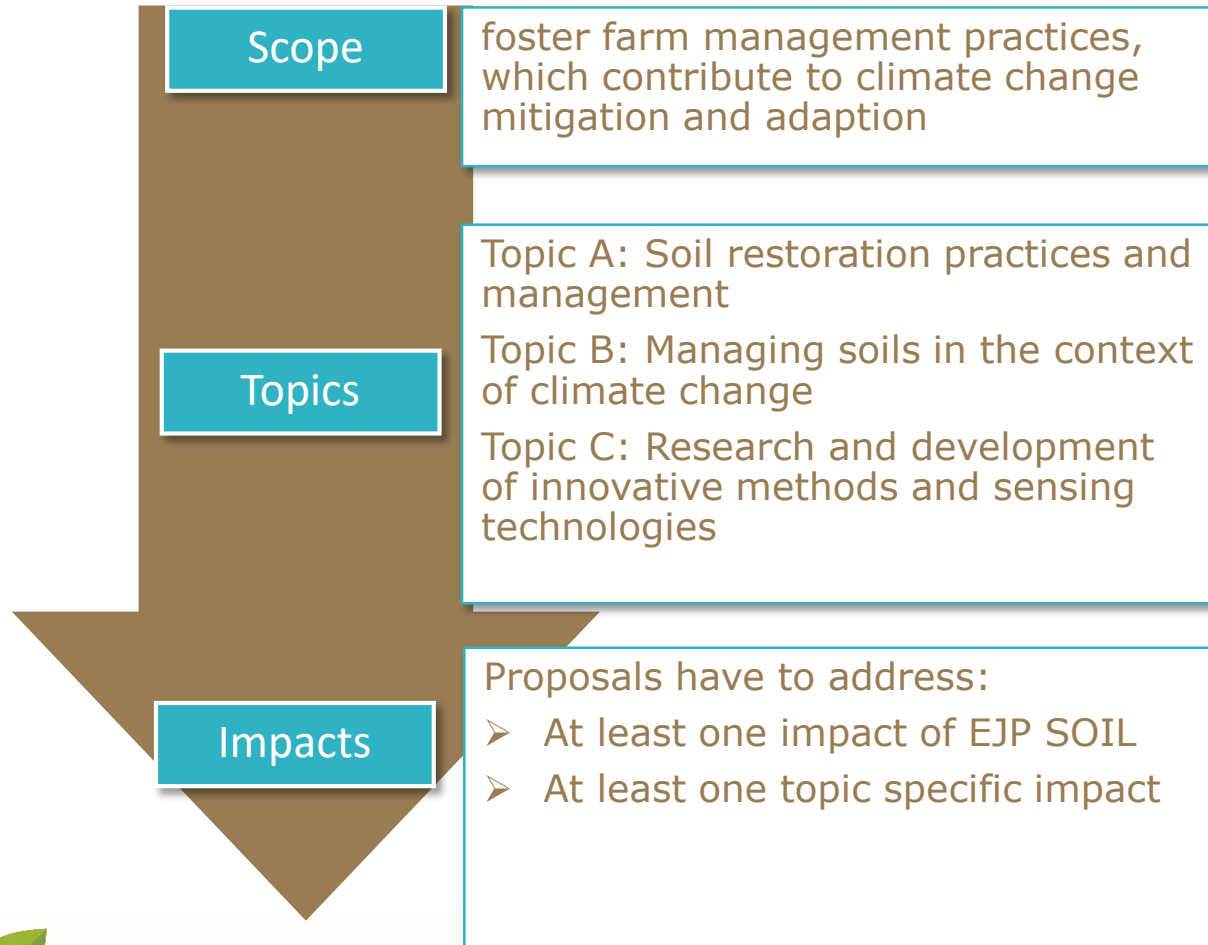

Outline

- Scope, topics and expected impacts
- Timeline of the Call
- Where do I get information and Who to contact in case of questions
- Who will provide funds to the call?
- How to prepare a consortium
- How to Pre-register the proposal
- How to submit a full proposal
- How will the proposal be evaluated and selected

Scope, Topics and expected impacts

„Managing and mapping agricultural soils for enhancing soil functions and services“

Scope, Topics and expected impacts

„Managing and mapping agricultural soils for enhancing soil functions and services“

Scope

foster farm management practices, which contribute to climate change mitigation and adaption

Note:

Some Funders may not fund all topics of this call!
Please ensure that your project idea is in compliance with all applicable Funder regulations!

of innovative methods and sensing technologies

Impacts

Proposals have to address:

- At least one impact of EJP SOIL
- At least one topic specific impact

Timeline of the Call

Call is open from 28th Apr until 14th Sep

Phase/Timeline	2022										2023				
	M a r	A p r	M a y	J u n	J u l	A u g	S e p	O c t	N o v	D e c	J a n	F e b	M a r	A p r	M a y
Pre-Announcement	1 month

Where do I get information and Who to contact in case of questions

EJP SOIL Website

<https://ejpsoil.eu/>

- **Subscribe for Newsletter**
- Information about EJP SOIL programme
- General Information & link to Submission website
- Connected to linkedIn & Twitter

- Read thoroughly the objectives and targets of EJP SOIL!
- Check on ongoing projects

Submission Website

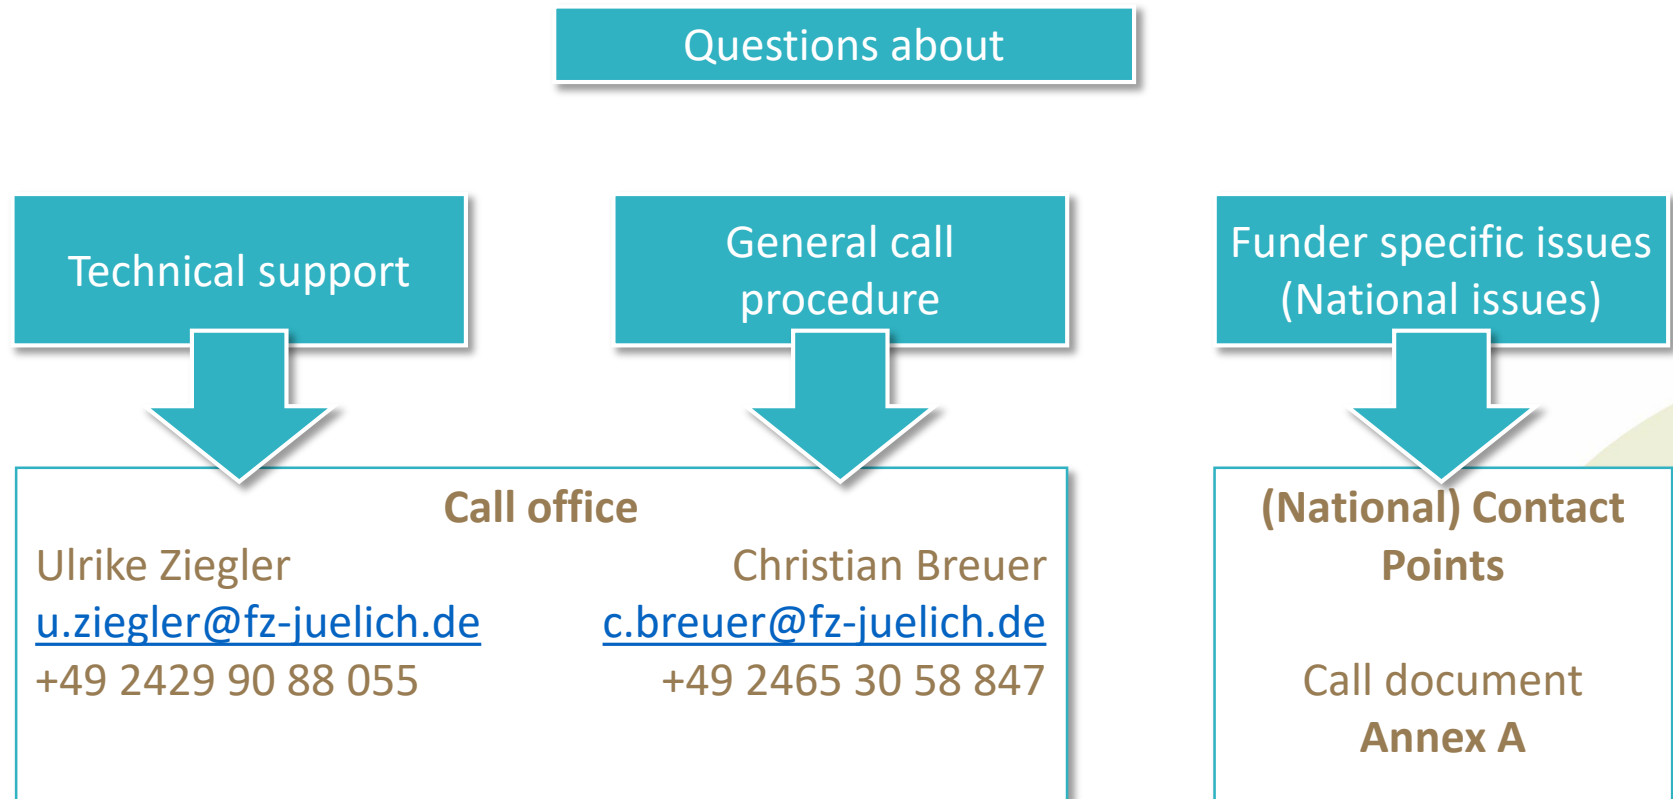

<https://ejp-soil.ptj.de/>

- Submission system for preparation and submission of your proposal
- Partnering tool
- Call announcement as download
- Funder regulations as download
- Templates for proposal preparation

- Read thoroughly Call document and Funder regulations!
- Use template and documents provided in download area

Where do I get information and Who to contact in case of questions

Who will provide funds to the call?

List of Funders (status 24 May 2022)

- Funding will be provided as „**virtual common pot**“: each funder provides funds for researchers within „its“ country only!
- GRA* provides funds to countries in Africa, Asia and South America (read the respective funder regulation for more details)

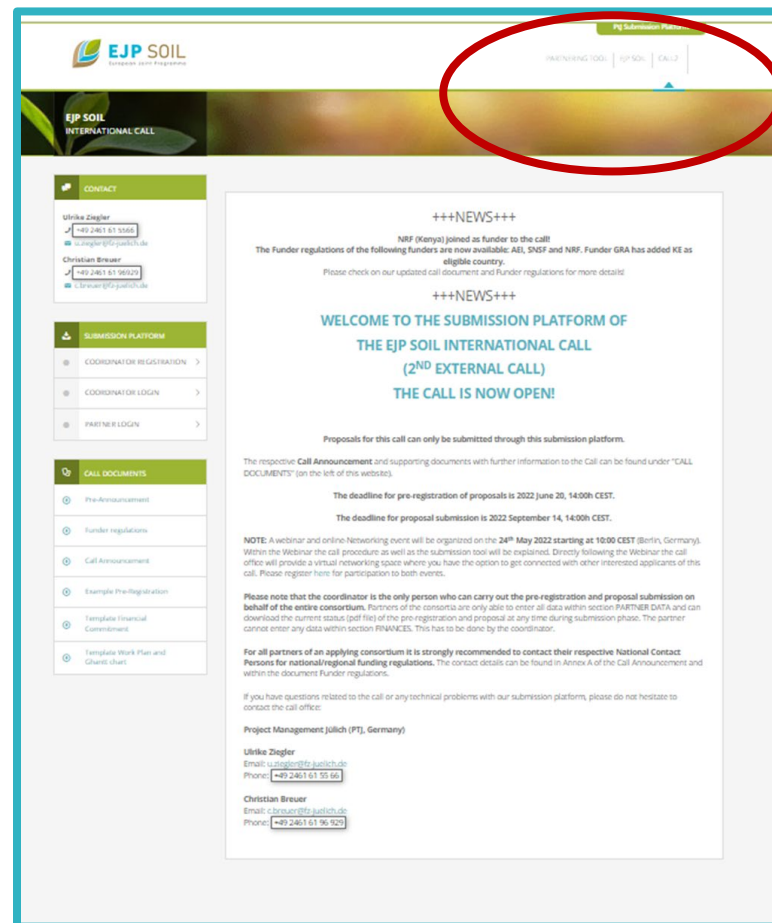

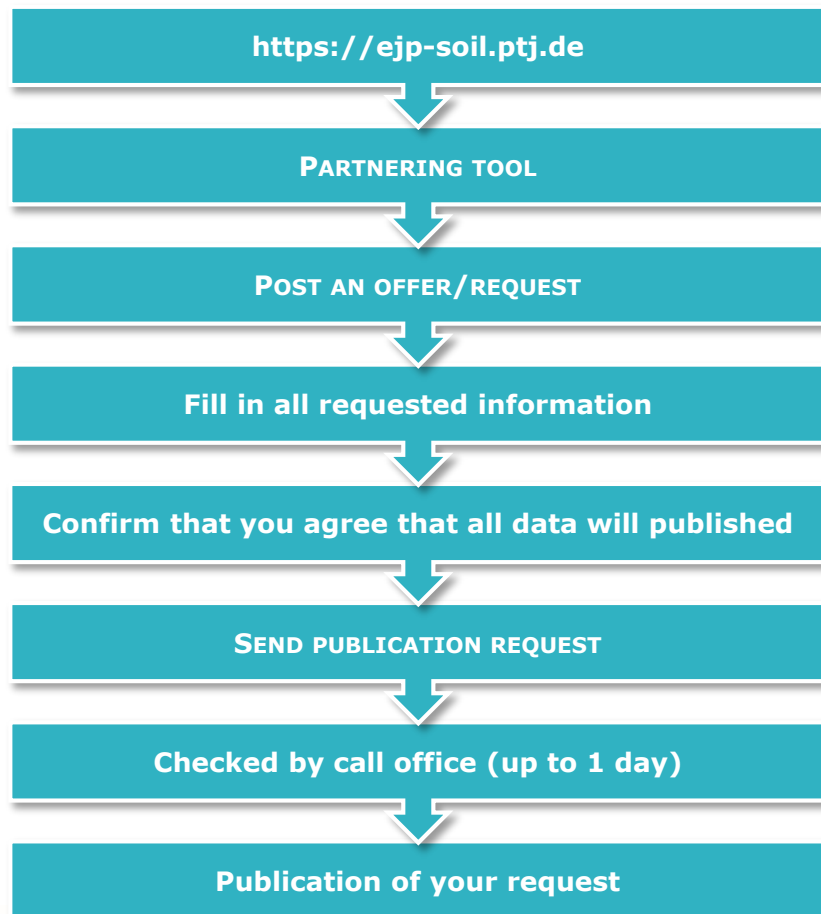

Funder	Country	Budget k€
GRA	/	900
INTA	AR	100
EMBRAPA	BR	600

How to prepare a consortium

Example and what to consider

How to prepare a consortium

Example and what to consider

* Universities and other higher education institutions, public research institutions, private non-profit organisations, and private companies

Is this partner eligible to receive funding from one of the Funders of this call?

Note:

Check and read thoroughly the applicable Funder regulations!!

Is this partner receiving funds?

Yes

No

Partner is not eligible

Is your project in compliance with the regulation?

Yes

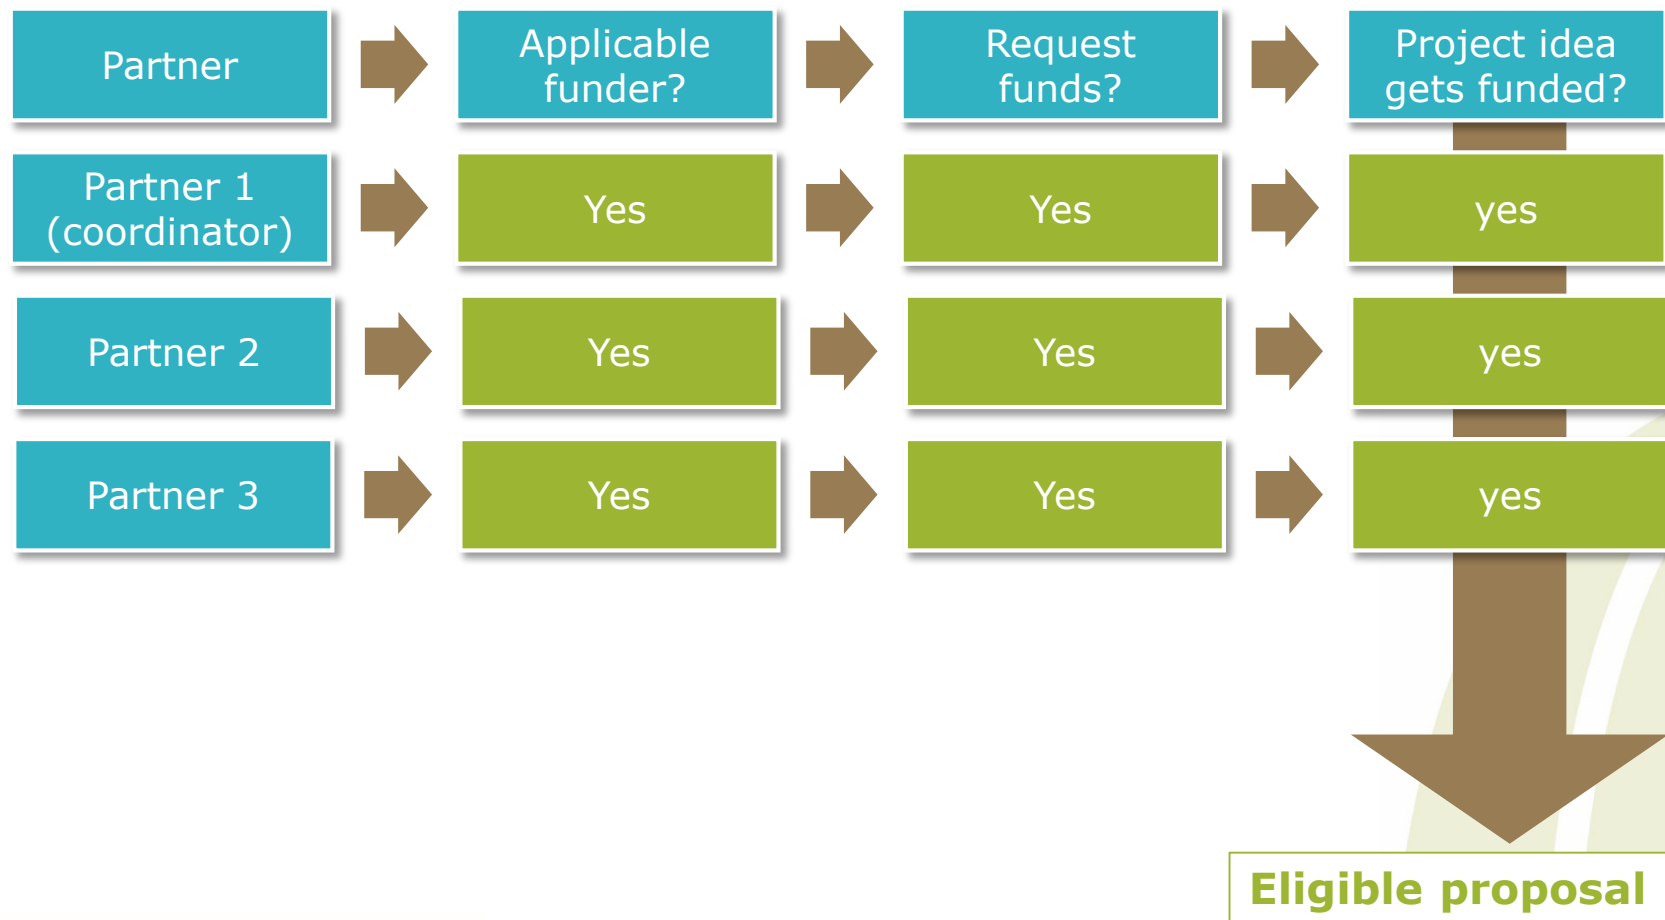

No

Project idea is not eligible

- Partner can be part of a consortium if securing own expenses
- Additional to the minimum number of partners
- Letter of commitment is needed

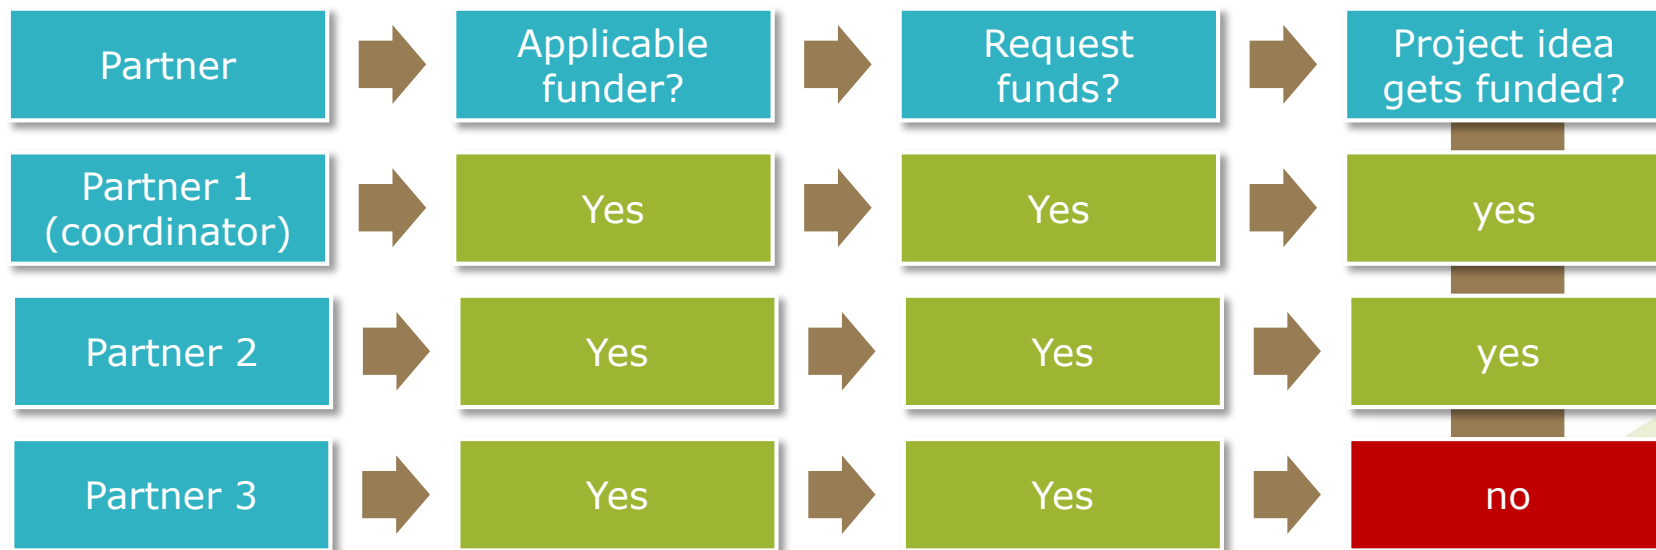

How to prepare a consortium

Example and what to consider

How to prepare a consortium

Example and what to consider

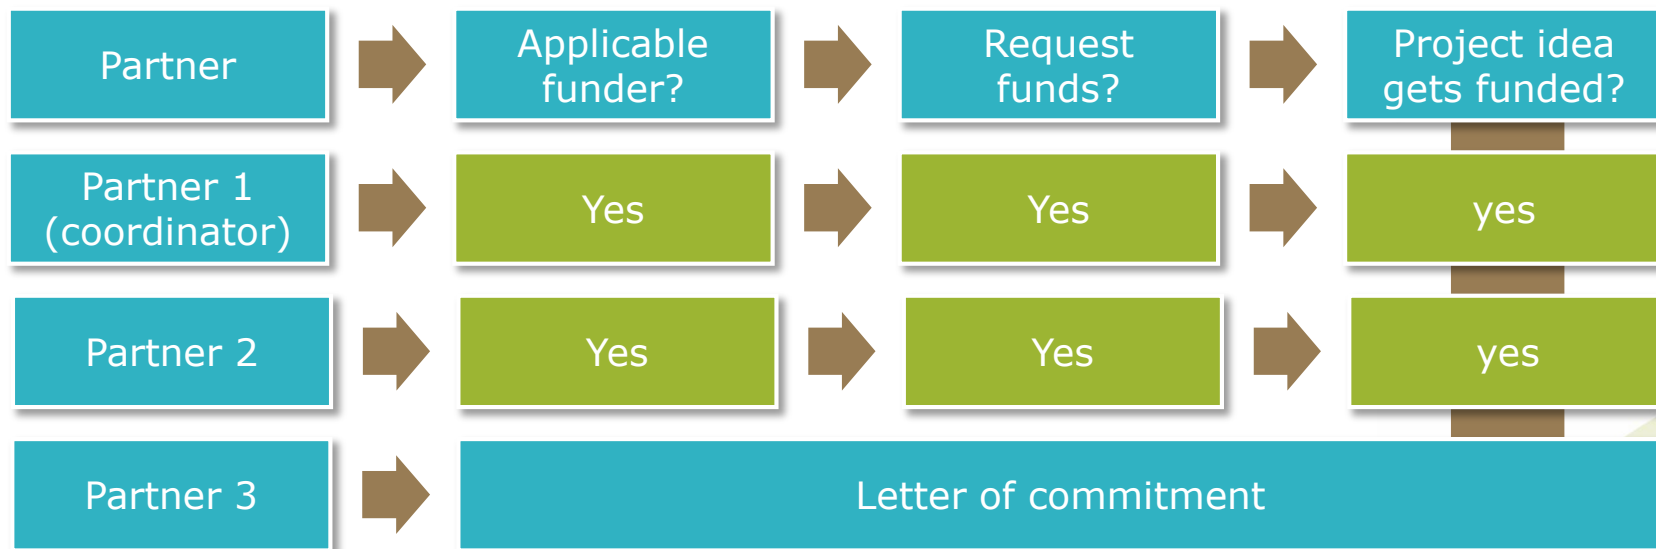

*All proposals must fulfil the general criteria, as well as the applicable eligibility criteria of the Funder partners of the consortia seeking funds from. If the Funder criteria differ from the general eligibility criteria, the **Funder specific criteria have to be respected**.

Proposal will be rejected*

How to prepare a consortium

Example and what to consider

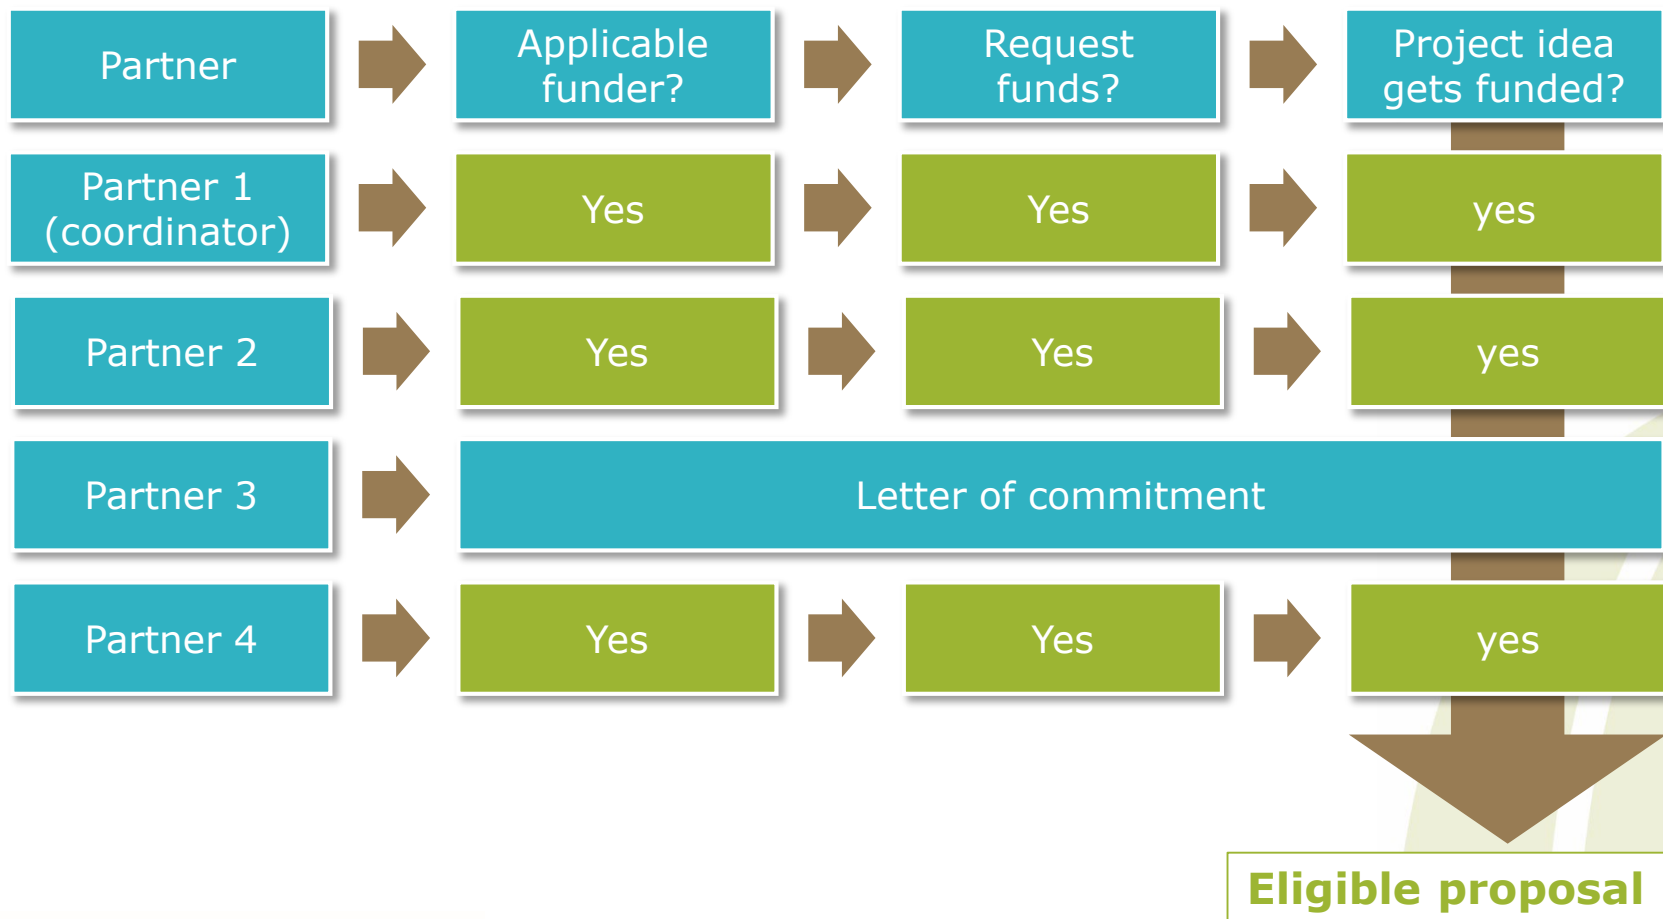

*Eligibility criteria No. 6: Consortia must include at least three eligible partners from three different countries **requesting funding from at least three different Funders** (EXCBF member) who contribute funds to the Call. Thus, each proposal must involve at least three partners, each based at an eligible institution in a different country participating in the call.

Proposal will be rejected*

Role of the coordinator

section 5.3 call announcement

- Check the individual Funders' regulations and funding modalities of all involved partners who will request funds from one of the Funders to **ensure the eligibility of the project**,
- **Lead the consortium throughout the application procedure and be responsible for the correct Pre-registration of the proposal.** The coordinator should be the one who creates an account for the proposal in the online submission tool,
- Be responsible for the overall project coordination and **act as the central contact point for the consortium** during the full lifespan of the research project,
- **Inform the call office** about any event that might affect the implementation of the project,
- **Ensure that all work is carried to a high standard** and meets contractually bound **deliverables and milestones** presented in the proposal and approved by the Funders,
- Be **responsible for sharing all information** provided by the call office **with consortium partners**,
- Be **responsible for monitoring data and timely delivery of project reports**,
- Ensure that the **project fulfils its obligations of funded project**,
- Be the central contact point for general proposal issues (outcome of pre-registration, evaluation and selection)

Eligibility criteria

see also section 5.2 (call announcement)

Criteria	Comment
Proposal must be written in English	➤ Incl. CVs!
Proposals must be complete and in accordance with the procedure and must be submitted via the online submission tool	<ul style="list-style-type: none">➤ Use validation bar within submission tool to check on completeness➤ See Annex B to check on completeness of documents to be uploaded
Proposals must be pre-registered by 20th June 2022 14:00 CEST via the online submission tool	➤ Projects who failed to pre-register will not be considered!
Complete proposals must be submitted 14th September 2022 14:00 CEST via the online submission tool	<ul style="list-style-type: none">➤ Don't wait until "the last minute" for your submission as high traffic will occur on last day of submission➤ Recommendation: submit a preliminary version of the proposal well beforehand of the deadline. You can re-submit as many times as you wish until the deadline the previous version will be replaced and only the latest version and corresponding file uploads are saved in our system

Eligibility criteria

see also section 5.2 (call announcement)

Criteria	Comment
The minimum project duration is 24 months and the maximum is 36 months	➤ See also Funder regulations if 24 month is eligible
Consortia must include at least three eligible partners from three different countries requesting funding from at least three different Funders (EXCBF member) who contribute funds to the Call. Thus, each proposal must involve at least three partners, each based at an eligible institution in a different country participating in the call.	➤ 3 partners from 3 different eligible countries <ul style="list-style-type: none"> ➤ Eligible for funding and must apply for Funding from one of the Funders ➤ Check on eligibility (Funder regulation)!!! ➤ Get in contact with Funder ➤ No maximum number of partners
Among the eligible partners, one will assume the role of coordinator	➤ Pay attention responsibilities of coordinator (e.g. attending mid and end term meeting)
The same person cannot act as a coordinator for more than one proposal	➤ But can act as partner in other consortia

Eligibility criteria

see also section 5.2 (call announcement)

Criteria	Comment
Partners ineligible to receive funding from any of the Funders of the call are welcome to contribute to project consortia if they can secure their own expenses and hence have to submit a “letter of financial commitment” (see Annex E). However, these self-funded partners cannot be coordinator and their contribution should not be essential for the project’s successful implementation (achieving of milestones) and they will not count towards the minimum number of partners. Same applies for partners eligible to receive funding but do not request funding from one of the Funders listed in Table 1.	<ul style="list-style-type: none"> ➤ Template: Annex E ➤ Make sure that financial commitments are in place well in advance of the submission deadline ➤ Key achievements (MS/D) shall not be within the working description of associated partners ➤ Proposals who fail to submit letter of financial commitments for self-funded partners will be rejected!
The involvement of self-funded partners who do not seek funding from any of the Funders listed in Table 1 is additional to the 3 minimum entities.	<ul style="list-style-type: none"> ➤ Consortium consists of a minimum of 4 partners if one is self-funded
All partners including the self-funded partners must complete an ethics self-assessment as part of the application.	<ul style="list-style-type: none"> ➤ Animals, embryos involved? ➤ Perform ethical self assessment: https://ec.europa.eu/research/participants/data/ref/h2020/grants_manual/hi/ethics/h2020_hi_ethics-self-assess_en.pdf

Evaluation and selection

Evaluation procedure

Call office and EXCBF

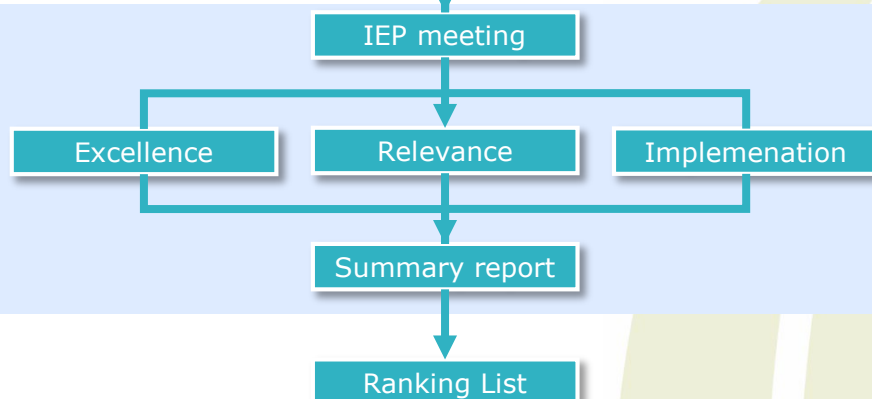

- Establish IEP
- Independent, no Col

Individual Evaluation

Consensus on evaluation

- Chaired panel meeting
- Independent from EXCBF
- Compile Ranking list

Evaluation and selection

Evaluation

Scoring and thresholds

Criteria (see section 7.2.1)

1. Scientific Excellence
2. Relevance and potential impact
3. Quality and efficiency of the Implementation

Scoring (see section 7.2.2)

- 5 ... Excellent. Shortcomings, If any, are minor
- 4 ... Very Good. Small number of shortcomings
- 3 ... Good. Number of shortcomings
- 2 ... Fair. Significant weakness
- 1 ... Poor. Serious inherent weakness
- 0 ... The proposal fails to address the criterion

Threshold

- Criterion level: 3 out of 5
- Total score: 10 out of 15

Evaluation and selection

Evaluation

Scoring and thresholds

Criteria (see section 7.2.1)

1. Scientific Excellence
2. Relevance and potential impact
3. Quality and efficiency of the Implementation

Scoring (see section 7.2.2)

- 5 ... Excellent. Shortcomings, If any, are minor
- 4 ... Very Good. Small number of shortcomings
- 3 ... Good. Number of shortcomings
- 2 ... Fair. Significant weakness
- 1 ... Poor. Serious inherent weakness
- 0 ... The proposal fails to address the criterion

Threshold

- Criterion level: 3
- Total score: 10 or more

Note:

Missing threshold of 3 in one criterion will result in a proposal not recommended for funding, e.g.
Scientific Excellence=5; Impact=2 ; Implementation=5

+++NEWS+++

NRF (Kenya) joined as funder to the call!
The Funder regulations of the following funders are now available: AEI, SNSF and NRF. Funder GRA has added KE as eligible country.
Please check on our updated call document and Funder regulations for more details

+++NEWS+++

**WELCOME TO THE SUBMISSION PLATFORM OF
THE EJP SOIL INTERNATIONAL CALL
(2ND EXTERNAL CALL)
THE CALL IS NOW OPEN!**

Proposals for this call can only be submitted through this submission platform.

The respective **Call Announcement** and supporting documents with further information to the Call can be found under "CALL DOCUMENTS" (on the left of this website).

The deadline for pre-registration of proposals is 2022 June 20, 14:00h CEST.

The deadline for proposal submission is 2022 September 14, 14:00h CEST.

NOTE: A webinar and online-Networking event will be organized on the 24th May 2022 starting at 10:00 CEST (Berlin, Germany). Within the Webinar the call procedure as well as the submission tool will be explained. Directly following the Webinar the call office will provide a virtual networking space where you have the option to get connected with other interested applicants of this call. Please register here for participation to both events.

Please note that the coordinator is the only person who can carry out the pre-registration and proposal submission on behalf of the entire consortium. Partners of the consortia are only able to enter all data within section PARTNER DATA and can download the current status (pdf file) of the pre-registration and proposal at any time during submission phase. The partner cannot enter any data within section FINANCES. This has to be done by the coordinator.

For all partners of an applying consortium it is strongly recommended to contact their respective National Contact Persons for national/regional funding regulations. The contact details can be found in Annex A of the Call Announcement and within the document Funder regulations.

If you have questions related to the call or any technical problems with our submission platform, please do not hesitate to contact the call office:

Upload files

A screenshot of a web application's main content area. The title 'DESCRIPTION OF WORKPACKAGES' is at the top. Below the title, there is a text prompt 'Please upload a PDF document.' followed by a horizontal line. Below the line, it says 'Max allowed file size: 5 MB'. There is a 'Choose' button with a document icon, followed by a text input field containing the file path 'C:\fakepath\EJP SOIL International Call Announcement_V1.2_10 May 2022.pdf'. Below the input field, it says 'No document has been uploaded.' At the bottom, there is a green 'Save' button with a checkmark icon.
